

# Get Involved with the PTA!

Academic Year 2025-2026

## **Parent Teacher Association (PTA)**

As we begin a new school year, we invite all families to be part of something that makes a real difference—our Parent-Teacher Association (PTA) !

The PTA is a team of parents, teacher, and staff who work together to support student success and build a stronger school community.

# Parent-Teacher Association

## What does the PTA do?

- ★ Organizes fun family events and schools celebrations.
- ★ Raise funds for students activities.
- ★ Shows appreciation for our teachers and staff.
- ★ Encourages communication between families and the school.
- ★ Helps create a welcoming environment for everyone.

## Your voice matters

Whether you have 30 minutes or a few hours, your time and ideas are valuable. By joining the PTA, you're showing your child that their education is important and that you care about their school.
