### How will the school continue educating my child while school is not in session?

2. Teachers have provided 45 minutes of work per subject (Math, ELA, Science, History), or 3 hours daily.
3. If your child does not have access to the internet or a phone data plan, we will provide packets. Students with packets must drop off the packets **each Saturday** at the school during office hours from 10 AM to 1 PM. Packets can be dropped off in the mail slot in the school's front door.

### How will you know if my child is participating?

1. Period Attendance will be taken daily by submit work for each subject (4 assignments per day).
2. Attendance/Daily Work is **NOT** optional. Education is being delivered via Home Instruction. This is not a vacation. **Ten (10) or more missed days may result in retention.**

### What happens if my child does not submit the work?

1. Late assignments will lose one letter grade for each day late.
2. If a student has an issue submitting work for any reason, they must reach out to the teacher via google classroom. **The school will call home if students are not completing work daily.**
